President's Report

Welcome Spring!!! We made it through another winter! Docks are being installed, boats are coming out of storage, and the runaway swim raft has returned home! What a happy sight to see! However, I think we can all agree the best sight to behold is the lake level continuing to decrease. I highly recommend finding Cindy Hettinga "Cindy Lou" on Facebook and looking at her "Devastation of Eagle Lake 2018-2021" album. Cindy has done a great job of documenting the flooding over the past 4 years (omg, has it really been that long?) It warmed my heart to see a picture of her dock this year vs. last year. As Cindy said, the icing on the cake was seeing the neighbor boys fishing off the dock. We live on this lake to enjoy it and we have been robbed of that over the past few years. Let's continue to work on our flooding solutions, pray for dry weather, and hope we can enjoy all our favorite summer lake activities!

Amy Coon, ELTA President

This newsletter has all sorts of exciting information regarding the annual meeting, lake quality and a new summer social calendar! You will also find updates on the short-term and long-term flooding projects, along with membership news. As always, your ELTA board is working hard to facilitate the flooding projects and we hope we can tackle the lake quality this summer. Show your support of Eagle Lake by making sure you pay your \$35 membership fee for 2021. It means a lot to us. Remember, you need to be a paid member in order to cast a vote at the annual meeting (May 19, 7pm, more info in newsletter). If you are interested in an active role with ELTA, we are accepting and welcome self-nominations. You can find more details within the newsletter. Please mark your calendars for May 19 and I hope to see you (virtually) at the annual meeting!

Meet the Conways!

BY STEVE OTT, ELTA BOARD DIRECTOR

Brad & Kelly

Brianna (17)

Peyton (16)

Collins (14)

Bailey (12)

The story of the Conway family began when Kelly and Brad met through a mutual college friend at a club in Flagstaff, AZ, in the late 1990s. Soon after they began dating, Kelly took a job in San Francisco and Brad followed. During that time, they were engaged and then married September 22, 2000, in an intimate sunset wedding on a luxury yacht touring the San Francisco Bay/Sausalito/Angel Island area. The couple, and now family, have continuously been making memories ever since. Brad noted that he fondly remembers that before their first child was born, they would spend weekends travelling the north California coast, “we would go for drives with the top down in our convertible, exploring the small towns, beaches, and spectacular ocean views.”

Since those days, the Conways lived in a variety of locales before moving to Kalamazoo (the Applegate neighborhood) 10 years ago and to Eagle Lake three years ago. Brad and Kelly's four children were each born 20 months apart in four different cities and in three different states: San Francisco, CA, Mesa, AZ, Beverly Hills, CA, and Madison, WI. At one point, when the children were young, they lived in Amsterdam and had wonderful opportunities to travel to Ireland and France. “The only thing they would eat was a hamburger from the Hard Rock in Amsterdam,” said Brad. “However, they did come around to really really enjoying the authentic crepes and pommes frites with genuine Belgian mayonnaise.”

Brad attended Arizona State University and the School of the Art Institute of Chicago in art history, theory and criticism - photography and photography history. Brad said he has been blessed to be a stay at home dad for 17 years raising the children, in that time playing semi-pro soccer, working as an art dealer in San Francisco and becoming a nationally licensed/certified soccer coach. Over the last year, he has been the men's JV head soccer coach at Portage Central High School, and this season he will be the program goalkeeper coach as well as the men's varsity assistant coach. He also is the owner and lead trainer of 5 Finger Save (www.5fingersave.com), a private soccer goalkeeper training program serving southwest Michigan.

On the professional side, Kelly is a graduate of Northern Arizona University (BA) (Cum Laude) and attended Golden Gate University School of Law. She has worked for Coca Cola, Tomotherapy and Stryker and currently is Chief People Officer for Lockton Companies out of Kansas City, MO.

In their "free" time, Kelly is an avid triathlete and in the last decade has competed in several Ironmen competitions from Alcatraz to Dublin, Ireland. Brad is currently painting for upcoming shows and still coaches soccer when he can. The family has attended Radiant Church for several years where Brad and Kelly both volunteer in the children's/middle school ministry. The family also volunteers at the Kalamazoo Gospel Mission.

The Conway kids keep busy too. Their oldest daughter, Brianna, will be graduating this year from Portage Central High School and attending GVSU in the fall. She is a reader, a musician, and works at a local doggy daycare. Peyton is a sophomore who is a pitcher for the Portage Central high school baseball team and travel club West Michigan Broncos. He spends his free time playing video games with his brother and friends. Collins will be graduating 8th grade this year from Portage Central Middle School, where he plays football. He loves to skateboard and snow ski and is an all-around inquisitive guy. Bailey is in the 7th grade and is committed to dance. She currently is on several dance teams at Excel Dance Studios and has aspirations of becoming an architect.

Rounding out the Conway family are their two dogs, Rusty and Ruby (brother and sister), both who are purebred Pembroke Welsh Corgis. "They are herding dogs, so if anyone gets out of line around here, they take care of it quickly. Also, occasionally we have a cat named Turtle. If she decides to hang around, she does, and we see her, otherwise she's very aloof," said Brad.

To unwind from their busy lives, the Conways are Disney Vacation Club members and have spent the last 10 years travelling to Disney World, where they say it has become a wonderful escape from the constant chaos they can fall into. "It is a great place where we can spend time as a family to ourselves, and laugh and create memories that will become permanent as the kids grow into their own families," said Brad.

The Conways said they really appreciate their neighbors at Eagle Lake, especially over the last 2 years of consistent lake flooding. "All our neighbors, we look out for each other, lending a hand when we can." Brad concluded, "If you are walking by, or boating, or golf carting, or whatever it may be, please forgive Ruby's barking ...she's just excited and is saying a quick "Hi". The wonderfully friendly smiles and waves from each neighbor are always a welcome reminder of why we moved to Eagle Lake. Life is too short to not share the opportunities of friendship and blessings."

Treasurer's Report

Jim Caporale, ELTA Treasurer

Included is the 2021 year to date revenue and expenses for our Association's account, and the data for the SAD #1 and SAD #2 accounts, which are administered by TT.

We are sending out the 2nd notice invoices for your 2021 membership in ELTA to those who have not yet responded. Help the Membership committee reach this year's target. Respond quickly and maybe we can do it before the annual meeting.

Remember you can pay online at our website or mail your check to the PO Box.

Don't forget to make a note about this year's Annual Meeting of the Membership on May 19th.

It's virtual but still a great opportunity to keep up to date with Association business. If you have any questions, my e-mail address is james.caporale@gmail.com

Virtual Annual Meeting of the Members

Wednesday May 19, 7pm

The Annual Meeting of the Members is for the purpose of electing ELTA Board Directors and conducting Association business. Eagle Lakers can go online to vote for our new Board Directors. Voting will go live at 12:00am on 5/18 and will run until the self-nomination period is complete. Vote using the link below:

<https://greaterkzooskate.org/eagle-lake-vote/>

Zoom link is posted on ELTA website

Meeting ID: 2699930872

Passcode: 102778

Phone: 888 788 0099

PRELIMINARY MEETING AGENDA

Opening Welcome	President Amy Coon
Minutes from last Annual Meeting	Secretary Brett Cummings
Treasurer's Report	Treasurer Jim Caporale
Nominations for Directors-3 Year Term	Self Nomination
Election of Directors	Judge of Elections
President's Report	President Amy Coon
Old Business	Members
New Business - Election Results	President Amy Coon
Announcements / Q & A	President Amy Coon
Invitation to Serve on Committees	Committee Chairs
Adjournment	

ELTA Board of Directors Self Nominations

My name is Ken Toy and I live on Treasure Island with my wife Amy and daughter Charlie. Three years ago when I agreed to run for the Board, the lake was just starting to rise and I felt like helping out my neighbors. Over the past three years, I discovered what 'help' and 'neighbors' truly means. Whether it was filling sandbags, running pumps and pipe to divert water, or trying to flag down the Road commission to talk through our new dirt road, I've discovered how we all come together as a community to help each other out when it seems like help is never coming.

As a Board Member, I helped create a new Email list so that the Board could communicate more quickly and thoroughly. About as soon as that happened, we started utilizing it to survey the damage, petition the state, and help maintain a presence at Township meetings. I also freshened up our website, and keep it maintained today. With my IT background, I'm usually the Board Member that can Zoom, Email, or post online when needed. Until recently, I've also put together the Newsletter for the past couple of years.

I'd like to continue my work on the Board. We are not done with the Flood, and I think I can help see this process through. Thanks for your consideration.

I'm Kasandra Barrow, I've lived on eagle lake since 2018, right when the flooding began. I joined the ELTA board that spring thinking I would be able to meet my neighbors and volunteer to help coordinate social events, because that's an area I am passionate about. Instead, we have all had to focus on saving our properties and we haven't been able to enjoy our lake. So this year I wanted to bring the lake back together and I started up our activities committee.

I also have experience in design and communications which I used to revamp the ELTA quarterly newsletter and modernize the look (HUGE thank you to Ken, who has been rocking the newsletter for the last 3 years). I also share the positive aspects of our lake and community events on our ELTA Facebook page. I would appreciate your vote so I can continue to serve the ELTA Board and communications committee and I look forward to spending time with you all on the lake this summer!

WE NEED YOU! There are three open board positions that will be voted on at the upcoming annual meeting and we only have two candidates at the time of printing the newsletter. Write in candidates will be accepted up until the start of the meeting. Please consider volunteering your time to help steward our lake.

Lake Quality Report

Lake Weed Treatment

Restorative Lake Sciences (RLS) is planning to do the 2021 spring survey on 6 May. Based on their report, PLM Lake and Land Management (PLM) will treat for weeds accordingly.

Aeration Shutdown

ELTA members completed an initial aeration survey on 23 March. There is significant work to be done to restore our sites to an operational condition. Most electric outlets need to be replaced. Several electric meters were also damaged by the flooding. In addition, most compressor platforms either need rebuilding and/or relocation. Our intent is to build temporary platforms until such time when they can be made permanent as the water recedes. PLM will be doing the compressor installations and Esper Electric will be doing the electrical work. We anticipate the aeration system will become operational in early May.

Bio-augmentation Treatment

Once the aeration system is restarted, we expect to do a normal bio-augmentation treatment.

Goose Abatement Program

The permit application for the annual goose round-up has been submitted to the state of Michigan. The expectation is that permits will be issued this year, and that COVID restrictions will be scaled back to allow the round-ups to resume. The contractor (Goose Busters) has been contacted, and has reserved our place in his roster. A date for the round-up will be established (typically early to mid June) once the State has approved the applications and gives the approval for round-ups to take place.

Purple Loosestrife

The Purple Loosestrife program has been suspended for 2 years because of the flooding. Given the uncertainty of the location of new emerging Purple Loosestrife plants, we do not anticipate restarting the program in 2021.

The LQAC members consist of Len/Gwen Bosma, Phil/Betty DeYoung, Frank/Michelle Loedeman. Please contact us if you wish to participate with the committee or have any concerns.

Short Term Project Update

The pumps continue to run, although rates have periodically been reduced due to filter malfunctions due to high winds. On April 19, Crooked Lake reached 894.94, which allowed the pump rate at Eagle to increase to 1250 gpm. This is the highest rate the pump can handle. Crooked Lake is pumping out at 1250 gpm. Crooked Lake's level will be monitored to stay within the permit limit of 894.9 and does not go above 895.10. Bentwood Shores stipulated all pumping equipment needs to be off their property by June 1. Balkema has indicated it will take 2 weeks to remove the equipment so expect the pumps to be turned off mid May.

Long Term Solution Update

Currently, Eagle Lake is down approximately 34 inches from its highest level from the flooding. We have about 15 inches remaining to get to our target level. The long awaited court date for the legal lake level (LLL) decision is 28 May 2021. Please monitor the Texas Township website for further details as this process continues to evolve. Also, the engineering lake study completed by Prein&Newhof that was commissioned by the Kalamazoo Drain Office has been released. The report is copied on the website at Texas Township. Please note that our short term pumping will end about June in 2021; so achieving the long term solution is paramount. Hopefully, with a favorable decision by the court, we will be closer to a final solution to the flooding on Eagle Lake. We must remain vigilant.

Len Bosma

ELTA Vice-President, Lake Quality Committee

2021 Summer Lake Calendar

May

- 12 - 9am Paddle Meet Up @ Basin 2
- 14 - 5:01pm Happy Hour @ Sandbar
- 20 - 7pm Paddle Meet Up @ Basin 2

June

- 9 - 9am Paddle Meet Up @ Basin 2
- 11 - 5:01pm Happy Hour @ Sandbar
- 12 - 1pm Cardboard Regatta hosted by Holly Osmun
- 17 - 7pm Paddle Meet Up @ Basin 2
- 25 - Golf @ Ridgeview Golf Course

July

- 4 - 2pm Annual 4th of July Boat Parade
- 7 - 9am Paddle Meet Up @ Basin 2
- 9 - 5:01pm Happy Hour @ Sandbar
- 15 - 7pm Paddle Meet Up @ Basin 2
- 17 - 2pm LIVE on the Lake with Kyle Jennings @ Basin 2

August

- 1 - 10am Kid's Triathlon hosted by Anna Carlin
- 11 - 9am Paddle Meet Up @ Basin 2
- 13 - 5:01pm Happy Hour @ Sandbar
- 19 - 7pm Paddle Meet Up @ Basin 2

September

- 8 - 9am Paddle Meet Up @ Basin 2
- 10 - 5:01pm Happy Hour @ Sandbar
- 13 - Golf4Youth Scramble @ Milham Park Golf Club
- 16 - 7pm Paddle Meet Up @ Basin 2

Activities Committee

The activities committee has been working hard to plan a great summer on the lake for all residents! If you have events you would like added to the calendar or you would like to join the activities committee please email barrow.km@gmail.com. Follow the ELTA Facebook page and subscribe to ELTA emails to keep updated on all the fun! The activities committee members are Amy Coon, Tricia Keala, Marlene Stoops, Holly Osmun and Kasandra Barrow.

Paddle Meet Ups

This is a casual paddle on the lake, there is no host for this event, just paddle over to basin 2 on your water craft of choice and meet up with your neighbors for a paddle around the lake.

5:01 Happy Hours

We thought the lake needed an excuse to get together and kick off the weekend! No host for this monthly event, just head over to the sandbar with your favorite cocktail and enjoy social time with your neighbors!

Golf Events

We have two golf events scheduled so far! First in June at Ridgeview Golf Course, register with Marlene by June 22, mkstoops@sbcglobal.net. If this event is popular we may add more dates! Next we have a great fundraising event to support access to recreation for Kalamazoo youth in September, spots are reserved for Eagle Lakers, register online at freindsofrec.org. More details on both events will sent by email and posted on Facebook.

Cardboard Regatta

Holly Osmun @ 1208 N Eagle Lake Dr will be hosting this fun event! Boat construction rules will be posted on the ELTA website and Facebook page. So start saving those cardboard boxes!

4th of July Boat Parade

You can always count on this annual celebration! Marlene Stoops will be leading the 41st annual 4th of July Boat Parade. Free hot dogs will be provided in Basin 2 for the 5th year in a row by Holly Osmun. Donations are welcome and can be made via Venmo: @HOLLY-OSMUN

LIVE on the Lake

The second annual benefit concert will take place in Basin 2 again this year! This is a private performance for Eagle Lake residence and their personal boat guests, please do not encourage drop in boat traffic. Suggested donation of \$50/boat can be made via Venmo: @TRICIAKEALA or check made out to Tricia Keala @ 1034 N Eagle Lake Drive. Tax deductible donation receipts available upon request. Last year the lake donated over \$4,000 to the Wildpaks!

Kid's Triathlon

We have brought back the kid's triathlon! This event is being hosted by Anna Carlins @ 1172 eagle Lake Dr. Registration details will be announced via Facebook and through ELTA emails.

Eagle Lake Spring 2021

AREA REPRESENTATIVES

2021 ELTA MEMBERS

Greetings from your Area Representatives!

Did you know you have an Area Representative? There are 6 areas around Eagle Lake. You will find the areas in this newsletter along with names, addresses, and emails of your representative. Area Reps are your contact with the ELTA Board and to help you with your questions and concerns about the lake.

New ELTA stickers will be in soon and Reps will be delivering them when we get them. Place it on your car, boat, mailbox, anywhere you like. Your sticker shows everyone you care about Eagle Lake and support ELTA in the stewardship of our lake. To get your sticker just pay your \$35 annual dues. If you haven't paid your dues yet you can find information on how to pay on the next page.

Please send your summer Eagle Lake photos to barow.km@gmail.com by July 15 to be featured on the scrapbook page in the summer newsletter!

Thank you to Michelle Zahm for submitting the winning cover shot!

2021 ELTA MEMBERSHIP

It is Spring and warmer weather! Along with this we finally have a much needed lower lake level and a chance to fully enjoy Eagle Lake again. It is also a chance to show your support of ELTA by paying just \$35 for your annual dues if you haven't already.

Your annual dues are used to fund projects that support and improve the quality of Eagle Lake living. Things like the goose round-up and beetles to control Purple Loosestrife. ELTA has also used monies to pay for some of the bio-augmentation that helps decrease the muck in the lake. Funds are used to publish and mail this newsletter which comes out quarterly and supports our website.

Due to high water levels there hasn't been much social activity the last few years. With lower lake levels ELTA is looking forward to an active social calendar on Eagle Lake. Read about the plans for the return of old activities and many new ones in this newsletter.

338 is the number of properties served by ELTA and our goal is always 100%. Unfortunately we seem to fall short every year. Maybe this will be the year we make it. When you consider paying your dues think about all the benefits we receive for such a small amount.

Finally, we have several new residents on the lake and ELTA would like to welcome all of you. As the temperature gets warmer come out and meet your fellow lake neighbors. Join in the activities and fun on the lake. Consider helping out by joining an ELTA committee.

If you haven't paid your due already there are several ways to pay. Use the membership application on the next page. Visit our website at www.eaglelakezoo.com and click on "2021 Dues" which can be found under "Contact". Finally you can always pay your Area Rep and introduce yourself at the same time.

Pickleball

Pickleball is considered the fastest growing sport in America. It is estimated that in 2020, there were 4.2M active pickle ball players, an increase of 21.3% from 2018.

Here in Texas Township, we are lucky to have a brand new 8 court pickle ball complex just down the road from Eagle Lake at the 6th Street Park. From the time the nets are on in March until they are taken down in Nov., you will see the courts full of pickle ball players. If you are interested in playing, visit the pickleballoutreach.com. This is a local group dedicated to "Promoting health, wellness, character and sportsmanship for all ages in the Southwestern Michigan area through pickleball." The Kalamazoo Pickleball Facebook page also has information posted with playing opportunities. Many indoor facilities, like West Hills Athletic Club, offer pickleball lessons and "Intro to Pickleball" classes.

If anyone is interested in creating an Eagle Lake Pickleball league, please contact Amy at amylcoon@yahoo.com

By: Kasandra Barrow

Here's some entertaining inspiration for hosting on the lake this summer!

Watermelon Wedges

Frozen Grapes

Mixed Nuts

Italian Pasta Salad with veggies

Ham/Cream Cheese/Pickle Rolls

Sliced Veggies with Dill Dip

save the extra juice
in the bottom of the container
for your cocktail!!

Deli Meat/Sliced Cheese/Crackers

Prepared Subs with Deli Meat & Cheese

And/or

Deli Chicken Salad on Croissants

Lettuce Wraps for a Low Carb Option

Lemon Bars (Frozen section of Trader Joe's)

Italian Pasta Salad

1 (12 oz) box tri-color rotini pasta

1 pint grape tomatoes, halved

1 1/2 cups diced English cucumber

1 1/2 cups tiny chopped broccoli florets

1 cup chopped yellow bell pepper

1 cup olives, sliced

3/4 cup thinly sliced baby carrots

1/3 cup chopped red onion

1/2 cup finely shredded parmesan cheese

1 1/3 cups bottled Italian salad dressing

Cook pasta according to package instructions to al dente. Drain and rinse under cold water.

Pour pasta into a sealable container, add tomatoes, broccoli, bell pepper, olives, cucumber, carrots, red onion and parmesan.

Pour dressing over and toss to evenly coat.

Cover and chill at least 30 minutes (or up to 1 day). Add a little more dressing if needed.

If you like cheese, try adding a cup of cubed mozzarella cheese to this salad.

Watermelon Lemonade Margarita Pitcher

1 Cup Tequila

1/2 Cup Triple Sec

1/2 Cup Midori

2 Cups of Watermelon Juice

4 Cups Prepared Lemonade Juice

Chill all ingredients, combine in a large plastic pitcher with leak proof spout, serve over ice, garnish with watermelon wedge and lemon slice

Your invited to a Social Media Blast!

What is a Social Media Blast?

A social media blast is similar to fireworks on the 4th of July. Fireworks create the awe and pizzazz that draws people in and leaves them wanting more. My job is to make you/your business look great, and then generate an explosion of tantalizing sparkle to attract the attention of your target audience.

You were made to shine. Now let's get you seen! Give me a call at 269.345.0828 x 4 for all the juicy details. -Christine

Do you own a local business?

Consider sponsoring the ELTA quarterly newsletter and your ad could be here! We even offer design assistance and special rates for ELTA members. For more information email Kasandra Barrow at barrow.km@gmail.com

LAKE PACOR HOME MORTGAGE

We simplify the process

- ♦ We originate, underwrite and fund at our office in Kalamazoo
- ♦ Purchase and Refinance—Conventional, FHA, VA, RD
 - ♦ Second homes and Investment Properties
 - ♦ Average closing timeframe is 21 days

What Our Neighbors Say About Us:

"Jen provided the most professional, timely, and hassle free mortgage transaction I have ever experienced" - T. Ryder

"Wow, closed my loan in 14 days" - C. Happel

"Jen and her team do a great job of communicating with clients and closing loans quickly" - G. Watts

"Most competitive rates with very low closing costs relative to other lenders, quick and painless closing process" - K. Vale

"Great rates and quick closing" - T. VanLiere

"Has always taken great care of us and our referrals" - K. Burkeen

"Working with Lake Pacor was easy and convenient, they had the best rates in town with the lowest closing costs" - S. Riggs

"Jen takes the busy work out of shopping mortgage rates" - T. Nulty
